

Pediatric Broselow™ Tape TRAINING

The Montana EMS & Trauma Systems has developed a free online training to learn how to use the Broselow™ Pediatric Tape.

Follow these steps to access the training:

1. Go to: <http://mtemergencycare.learningzen.com>
2. In the Portal Login Screen
 - If you have not logged in before, select “*click here to request access to this portal*”
 - If you have already logged in, use your Login and Password
3. Select *EMS General* under Course Catalog
4. Select *Color Coding Kids with Broselow™ Tape Training*
5. After completing the course, print off the Certificate of Completion and give to your EMS Service Manager
6. Once 50% of all EMS staff have completed the training, free Broselow™ Tapes will be distributed to your ambulance service, one for each ambulance.

For more information, please contact the MT EMS for Children Program, 444-0901 or jhansen3@mt.gov

Complete this form to get a free Broselow™ Pediatric Emergency Tape for your ambulances.

Ambulance Services that have at least half of the EMS staff complete the online Broselow™ Tape Training are eligible to receive one Pediatric Emergency Tape for each transporting ambulance. A limit of 5 tapes for each service.

Please complete the following information and submit to the MT EMS for Children Program: fax (406) 444-1814, bperkins@mt.gov, EMS & Trauma Systems, 1400 E Broadway Helena MT 59620.
